Too Cold to Celebrate in Memory of the Good Saint.

Nothing of an unusual or special nature has been noticed today in celebration of St. Patrick's Day, other than effusive displays of green here and there, and green being the predominant color in neckties and ribbons. At the city building, nearly all the officials are wearing either green neckties or ribbons, and Prisonkeeper John Washer wears a green vest.

**EXPENSIVE.****Attorney's Oversight**

Resulted In an Action Against His Client.

Nellie Wills Welch Granted a Divorce.

Said Her Husband Was a Two-Faced Man.

Allegations Against Administrator—Court House News.

It is said that the case of Ella L. Taplin vs. Lyman A. Barmore, in which the plaintiff was given a verdict for \$1211.82, is the result of a mistake made in drawing a journal entry in the original action in which they were the parties.

Miss Taplin was at that time the wife of Mr. Barmore. She sued for and was granted a divorce. The decree gave her alimony which was promptly paid by the defendant. The journal entry, prepared in the case, did not make any provision for the care and support of the child. It left this an open matter. This phase of the case was tried Friday. The jury promptly returned a verdict as stated. The case will be appealed.

**GRANTED A DIVORCE.**

The divorce case of Nellie Wills Welch vs. W. W. Welch was heard by Judge Kohler Saturday. The plaintiff is the daughter of J. M. Wills of East Akron. Her husband resides in Cleveland. There were many sensational features. She charged that he had wrongfully accused her of unfaithfulness. She was employed as the stenographer of Treasurer Cowles of the Cleveland Leader. On one occasion, when she was in his office, her husband made a display of himself by assaulting Mr. Cowles. She said that he was two faced. While he pretended to be a great worker in the church he was also a gambler. In passing on the case the Court said that Mrs. Welch was entitled to a divorce. He stated that Welch was not the proper kind of a man to have a wife. Mrs. Welch was restored to her maiden name and was given \$1,000 alimony.

John Ditzler was granted a divorce from Minnie Ditzler on the grounds of gross neglect.

**HEIRS ANSWER.**

The children of Alexander W. Logan filed an answer Saturday to the petition of Mrs. Logan. They claim that she agreed, at the time of her marriage to release all her dower interest in the estate in consideration of her husband making a policy in the Odd Fellows' National Benefit Association payable to her. The policy was for \$3000. They deny that she did not know what she was doing when she agreed to accept under the will. They ask that she be barred from any additional benefit.

**MRS. FINDLAY'S CLAIM.**

Mrs. Louisa Findlay has filed a petition in Common Pleas Court in which she makes a sensational charge against Henry Pardee, administrator of the estate of Ralsamon Miller. She alleges that he represented that it would be necessary to expend considerable money in administering the estate. Relying on his statement, she advanced him \$1071.44. Of this amount he used, she alleges, \$420.30. The balance, she claims, was converted for his own benefit. She asks judgment against him in the sum of \$651.14.

**OTHER PLEADINGS.**

The defendants in the case commenced by Charles H. Howland, in which he asks \$2,850,000 damages, have filed their answers. They make a general denial of all his allegations. The Diamond Match Co., has filed an answer to the petition of Richard A. Groucy. It is alleged that his injuries were the result of his own neglect.

**EVIDENCE**

Letters to Mrs. Pinkham from Women.

**Female Weakness 15 Years**

"DEAR MRS. PINKHAM:—For fifteen years I suffered with every form of female weakness and had almost given up hope of ever being well again when a friend insisted that I try Lydia E. Pinkham's medicine. I took four bottles of the Vegetable Compound and still I was sick and giving up again when the same friend prevailed upon me to try another bottle. I did so and began to get better right away, and now I never have any of my old pains and consider myself cured. I think your remedies the best in the world for curing the troubles of women, and feel very thankful that I ever found such remedies. If any suffering woman wishes to write to me privately, I will be pleased to tell her about the benefits I derived from the use of your medicine."—Mrs. E. F. MARSHALL, 312 Montclair St., San Francisco, Cal.

**General Weakness of System**

"DEAR MRS. PINKHAM:—I write to thank you for the good Lydia E. Pinkham's Vegetable Compound and Blood Purifier have done me. I felt tired and all worn out, suffered with severe pains in my back and limbs. Since taking your remedies that tired feeling is gone, and I am very much better and able to work. I would advise all suffering women to write to you for I feel sure they will find help. I wish you much success."—Mrs. MARY H. LOVE, Hillsboro, Va.

Mrs. Pinkham's advice is given free to all suffering women. Her address is Lynn, Mass.

**Throbbing Pain in the Back**

"DEAR MRS. PINKHAM:—About two years ago I was taken suddenly with a terrible bearing down feeling, low down across me and such a throbbing pain in my back, that at times it would seem that I could endure it no longer. I had heard Lydia E. Pinkham's Vegetable Compound spoken of very highly and I commenced taking it at once. After a short time, I was feeling very much better, but continued its use until I had taken six bottles and was completely cured."—Mrs. S. E. WADE, Fremont, Mich.

**Backache and Bearing Down**

"DEAR MRS. PINKHAM:—When I first wrote to you for advice I was in a very bad condition with falling of the womb, backache and bearing down. Could not stand five minutes. I followed your advice strictly and have used seven bottles of Vegetable Compound, two of Blood Purifier and four packages of Sanative Wash and am now perfectly well."—Mrs. HENRY GALTRAT, 1825 Charles St., La Crosse, Wis.

These grateful letters from women prove conclusively that woman's safe refuge when sick is

Bill Will be Recommended Next Week—Senate Notes.

Senator George W. Sieber returned from Columbus Friday evening. He says that everything goes well in the Senate, and that nothing special is likely to be developed.

"The bill for an amendment to the water works laws of the state, providing for the annulment of that section which restricts the amount of money a municipal city may expend for a water works plant to \$200,000 was recommended by me to the Judiciary Committee Thursday, and I feel certain that the bill will be recommended to the Senate next week."

"I think the bill will be passed by the Legislature."

Speaking of the bill to provide a bounty of \$300 to be given to Ohio soldiers who were engaged in the war against Spain, Senator Sieber said: "I do not believe that it will be passed this year."

The "Foreign Stock" bill, Senator Sieber believes, will be passed.

**Don't Not Your Talents.**

No man who buries his talents can live a happy life. The most unhappy people are those who have abundance, but refuse to use it in the way God intended. They are living for themselves and know it is wrong and are unrepentably miserable on that account, but cannot bring themselves to live otherwise. The most happy people in the world are those who devote their talents, whether great or small, to some good use. This is an infallible recipe for happiness. Let any unhappy man begin at once to do all the good he can, in every way he can, to as many of his fellow men as he can, and his heart will begin at once to sing for joy.—Christian Advocate.

**ADDITIONAL SPORTS.**

John Rampanelli had little trouble in defeating Met Hard in the contest for the championship of the county. The last game in the series was played last night.

The match was a 500 ball contest and began Monday night. Five consecutive games were played. Rampanelli was the first to reach the 500 point and his competitor was only 18 balls behind. The score at the finish stood Rampanelli 500; Hard 482.

At the outset of Friday night's contest Rampanelli was leading with a 10 ball margin. The game progressed carefully, neither man playing a rush game. Both players made some good runs and a "double bunk" shot by Rampanelli brought forth great applause. The score for the evening stood: Rampanelli 50; Hard 91. The tournament throughout has been one of the most closely contested exhibitions of the game ever seen in this city. At all stages of the game Rampanelli maintained the lead, but at no time was he at a safe distance ahead of his opponent. By winning the series Rampanelli becomes Summit county's champion, and the winner of a \$20 purse.

The Old Method of Treating Piles and Rectal Diseases Supplanted by the Pyramid Pile Cure.

The old methods of treating piles by ligature, by the knife or by the crude methods of dilatation, besides causing intense pain and frequently collapse and death, are now known to be but mere makeshifts as far as a cure is concerned.

The liver is responsible for nearly every case of piles and the mistake has been made of treating piles as a purely local disease. Such is not the case, however, and the success of the new treatment known as the Pyramid Pile Cure has demonstrated it.

The Pyramid Pile Cure is not a saline or ointment, but a suppository which is applied at night and absorbed into the sensitive rectal membrane and acts both as a local and a constitutional treatment, and in cases of many years' standing this treatment has been effectual.

Thousands of pile sufferers bear witness to the estimable value of the Pyramid and even those who have undergone surgical operations without a cure have been happily surprised by results from a few weeks' treatment with the Pyramid.

The relief from pain is so immediate that patients sometimes imagine that the Pyramid contains opiates or cocaine because the relief is so instantaneous, but the Pyramid Pile Cure is guaranteed absolutely free from any opiate or mineral poison whatever.

The relief is the result of the stringent properties of the remedy which causes the little tumors and congested blood vessels to contract and a normal circulation is established.

The Pyramid Pile Cure is strictly scientific, both in its composition and in its therapeutic action and the best feature of it is that it is perfectly safe and harmless. No ill effects ever result from its use, but only positive benefit.

A singular fact, in view of the large number of patent medicines, before the public is that the Pyramid is the only pile cure of national reputation. It is the only pile cure popular enough and meritorious enough to be found in every drug store in the United States. It sells at 50 cents a package.

Injuries are considered serious. He was taken to his home on Upon st.
